FEDERAL HOUSING FINANCE BOARD

[No. 95-N-01]

Notice of Federal Home Loan Bank Members Selected for Community Support Review

AGENCY: Federal Housing Finance

Board.

ACTION: Notice.

SUMMARY: The Financial Institutions Reform, Recovery, and Enforcement Act of 1989 added a new Section 10(g) to the Federal Home Loan Bank Act of 1932 requiring that members of the Federal Home Loan Bank (FHLBank) System meet standards for community investment or service in order to maintain continued access to long-term FHLBank System advances. In compliance with this statutory change, the Federal Housing Finance Board (Finance Board) promulgated Community Support regulations (12 CFR Part 936) that were published in the Federal Register on November 21, 1991 (56 FR 58639). Under the review process established in the regulations. the Finance Board will select a certain number of members for review each quarter, so that all members that are subject to the Community Reinvestment Act of 1977, 12 U.S.C. § 2901 et seq.,

(CRA), will be reviewed once every two years. The purpose of this Notice is to announce the names of the members selected for the fourth quarter review (1994–95 cycle) under the regulations. The Notice also conveys the dates by which members need to comply with the Community Support regulation review requirements and by which comments from the public must be received.

DATES: Due Date For Member Community Support Statements for Members Selected in Fourth Quarter Review: February 28, 1995.

Due Date For Public Comments on Members Selected in Fourth Quarter Review: February 28, 1995.

FOR FURTHER INFORMATION CONTACT:

Sylvia C. Martinez, Director, Housing Finance Directorate, (202) 408–2825, Federal Housing Finance Board, 1777 F Street, NW., Washington, DC 20006. A telecommunications device for deaf persons (TDD) is available at (202) 408–2579.

SUPPLEMENTARY INFORMATION:

A. Selection for Community Support Review

The Finance Board currently reviews all FHLBank System members that are

subject to CRA once every two years. Approximately one-eighth of the FHLBank members in each district will be selected for review by the Finance Board each calendar quarter. To date, only members that are subject to CRA have been reviewed. In selecting members, the Finance Board will follow the chronological sequence of the members' CRA Evaluations post-July 1, 1990, to the greatest extent practicable, selecting one-eighth of each District's membership for review each calendar quarter. However, the Finance Board will postpone review of new members until they have been in the System for one full year.

Selection for review is not, nor should it be construed as, any indication of either the financial condition or Community Support performance of the institutions listed.

Introduction and Overview

This is the fifth annual report 1 on the differences in capital standards and accounting practices that currently exist among the three banking agencies (the Board of Governors of the Federal Reserve System (FRB), the Office of the Comptroller of the Currency (OCC), and the Federal Deposit Insurance Corporation (FDIC)) and the Office of Thrift Supervision (OTS).² Section One of the report focuses on differences in the agencies' capital standards; Section Two discusses differences in accounting standards. The remainder of this introduction provides an overview of the discussion contained in these

Capital Standards

As stated in the previous reports to the Congress, the three bank regulatory agencies have, for a number of years, employed a common regulatory framework that establishes minimum capital adequacy ratios for commercial banking organizations. In 1989, all three banking agencies and the OTS adopted a risk-based capital framework that was based upon the international capital accord (Basle Accord) developed by the Basle Committee on Banking **Regulations and Supervisory Practices** (referred to as the Basle Supervisors' Committee) and endorsed by the central bank governors of the G-10 countries.

The risk-based capital framework establishes minimum ratios of total and

¹ The first two reports prepared by the Federal Reserve Board were made pursuant to section 1215 of the Financial Institutions Reform, Recovery, and Enforcement Act of 1989 (FIRREA). The third and fourth reports were made pursuant to section 121 of the Federal Deposit Insurance Corporation Improvement Act of 1991 (FDICIA), which superseded section 1215 of FIRREA.

² At the federal level, the Federal Reserve System has primary supervisory responsibility for state-chartered banks that are members of the Federal Reserve System as well as all bank holding companies. The FDIC has primary responsibility for state nonmember banks and FDIC-supervised savings banks. National banks are supervised by the OCC. The OTS has primary responsibility for savings and loan associations.
